MEMORANDUM FOR: Executive Assistant to the Director

SUBJECT: DCI Trip

1. I would strongly urge that the DCI, when in Brussels, arrange for about an hour's conversation with Ambassador Donald Rumsfeld, US Ambassador to NATO, and General Theodore Milton, USAF (US Representative to the Military Council). These two can be handled in one session in my view. If at all possible, the Director should allow Major General Erik Fournais, the Intelligence Chief at NATO Headquarters, about one-half hour for a briefing on the current stresses and strains in the intelligence business at the Headquarters.

2. In any case I think it would be a poor show, indeed, if the DCI should go to Brussels and not make contact with some key NATO people.
